

What are we going to do in
School?

1. Wash our hands frequently with soap and water

<https://www.youtube.com/watch?v=KxwybEfKW50>

2. Avoid touching our eyes, nose and mouth

3. Cover your cough or sneeze with the bend of your elbow or use a tissue

4. Keep you 2mtr distance from adults and other children

5. If you feel unwell then you must tell an adult and stay at home

STAY ALERT

**CONTROL
THE VIRUS**
